

REMARKS

Claims 1-33 are pending in the Application. No new matter has been added. Entry of the amendment is respectfully requested. Reconsideration is respectfully requested.

Applicants continue to respectfully traverse the claim rejections. Nevertheless, claims have been amended to advance prosecution. Applicants respectfully submit that except for the recitation of a currency dispenser, the scope of the claims remains unchanged. The amendment of a claim shall not constitute an admission that the pre-amended claim was unpatentable in any manner. Applicants reserve all rights to file another application (e.g., a divisional application) relating to any claim.

A Notice of Allowance is respectfully requested. The undersigned will be happy to discuss any aspect of the Application by telephone at the Office's convenience.

Respectfully submitted,
